Esade does not have housing facilities for students in Barcelona – Pedralbes but students are welcome to stay at the Residencia Sarrià, which is a 15-minute walk down to the Pedralbes campus and about 25 minutes to the Sarrià FGC station. In addition, there is a shuttle bus that goes to the Sant Cugat campus twice daily for a fee. In Sant Cugat, the Roberto de Nobili Residence Hall is on campus and less than 5 minutes from your classes.

One of the great advantages of living in Sant Cugat is the proximity to your classes and the slower pace of living in a quiet suburb; getting to class will take minutes from most anywhere in Sant Cugat. On the other hand, Barcelona offers all the services of a large city, but it also has some inconveniences. Perhaps the biggest drawback to living in Barcelona is the traveling time to the campus. The FGC, the commuter train, can take 15-25 minutes to get to Sant Cugat and then it's another 15 minutes to get to the campus. The links to school are important to bear in mind not only for the time spent commuting, but also for the price of transport.

There is a large amount of available housing in Barcelona, but whether you decide to live in the city or in the suburbs, it can take time to find what you want. Looking for an apartment on your own requires knowledge of the different areas (barris) in Barcelona because prices can vary substantially from one area to another. It is highly recommended that you begin researching accommodation well before your arrival, and try to arrive in Barcelona at least one or two weeks prior to the start of your program to locate or finalize permanent
